Description

Perseo 76 - 2018 - 2 x MAN V12 1800 - 1850Hp - 3 guest cabins + 1 crew cabin

The boat represents the combination of liveability on board and performance. Characterized by a functional design, it combines sportiness and elegance. The glass surfaces run along the hull and superstructure, illuminating the interior spaces.

The cockpit offers a convivial area with a sofa and dining table. The Fly, set up with a large central sundeck, allows you to relax in total privacy. At the bow, a large sundeck completes the set-up of this private relaxation area.

The living room is organized in a large open space with a living area consisting of a living room with sofa and a dining table. The lower deck features a galley and 3 cabins, each with an en-suite bathroom. The owner's cabin is amidships; a guest cabin, with single beds, is located on the starboard side, while the VIP cabin is located at the extreme bow. The crew area develops transversely with the bathroom and a sleeping area with two bunk beds.
