## Description

Benetti 26D - 1974 - 2 x MAN D2866 - 400Hp - 2 x Kohler 25kW - 3 guest cabins + 2 crew cabins

The boat encompasses past, present and future. Built and launched in Italy in 1974 from the vision of the Benetti brothers, it went through several renovations in 1995, 2000 and 2004 and again in 2010 until its most recent reconstruction and the complete renovation of the interior and exterior spaces between 2018 and 2024, signed by designer Luca Catino.

Equipped with a new electrical and engine system, with its 26 meters it can accommodate up to 6 people in three comfortable double cabins: a full-beam owner's cabin aft, a VIP cabin in the center of the boat, both with bathroom and ensuite armor cabin and a guest cabin in the bow, with external bathroom. At the extreme bow, there is a comfortable crew area.

From the large saloon to the spacious flybridge, this Benetti 26D offers spaces of elegance, charm and comfort, surrounded by the blue of the sea.
