Description

Experience unparalleled luxury with the Bluefield Floating Home C310. This exquisite floating home boasts contemporary design, spacious interiors, and panoramic windows that offer stunning water views. The C310 is equipped with modern amenities, ensuring a comfortable and sustainable living experience. Ideal for those who crave a unique blend of serenity and sophistication, the Bluefield Floating Home C310 transforms everyday living into a waterfront paradise. Discover the ultimate in aquatic elegance and make the C310 your new home on the water. This Bluefield Cabin C310 houseboat is perfect for those seeking additional interior living space with the 310sqft area divided into open plan living / kitchen / dining area, 1 or 2 bedrooms, walk in storage cupboard and a fully compliant bathroom with walk in shower, toilet, wash hand basin and towel radiator. The fully fitted kitchen comes with built in hob, combi oven and a fridge as standard. The kitchen doors and worktop are available in a range of colours and finishes. There is an option to have one larger double bedroom, or a double bedroom and a single / bunk bedroom. The spacious living area has space for a sofa bed, meaning this houseboat can sleep up to 6 people. This particular model offers 310SQFT of internal space and is the 1 bedroom layout. Designed with both relaxation and entertainment in mind, the C310 houseboat features a spacious front balcony, perfect for hosting gatherings with family or friends and with ample room for a table and chairs. Additionally, a rear balcony offers a more intimate space for breakfast or a nightcap before bed. Key Features: Pitched roof and metal cladding to blend into a parkland setting. Balconies front and rear. Stainless steel handrail post & 4 strand safety
