bayliner Vr5 bowrider

73 562 USD + VAT

Description

The VR5 builds on Bayliners proven V-bottom bowrider heritage, while adding form AND function. Forward, the boat employs Bayliners category-leading BeamForward design, which carries the full 8 feet of beam further forward in the boat than has been traditionally done. Total Boat Value 57,640 // STOCK BOAT PROMOTION: 54,950 VAT PAID The self-bailing cockpit features Bayliners new Aft Advantage design that increases the aft seating area by extending it to the aft most point of the running surface, then adding the swim platform at the end of the running surface. This keeps the platform apart from the usable interior space, rather than encroaching on it regardless of whether you choose outboard or sterndrive power. The result is a boat that maximizes space and value like never before. Key Features BeamForward design with high gunnels creates more passenger space, under-seat storage and safety. Exceptionally roomy cockpit thanks to our exclusive Aft Advantage design. Standard integrated swim platform and optional platform extension are positioned further aft than comparable models adding interior space while providing the ideal staging area for water sports. Available Water Sports Options let you customize the VR5 to suit your family's needs. Factory Fitted Extras Navy Hull with Silver Tape Wakeboard Tower w/ Bimini Canvas Pack (Tower w/ Integrated Bimini / Bow Well / Cockpit Cover) Preferred Equipment Package (Teak Table / Stainless Steel Pack) Cushion Pack (Helm Bucket Seat Upgrade / Bow Filler Cushion) Swim Platform Grey Mat Cockpit Flooring Grey Mat 9 Simrad Digital Dash w/ Active Trim Bow Speakers Transom Shower UK Extras UK PDI & Commissioning Commissioning Kit Trailer Options Euro Spec Bunk Trailer R4/2600B available - 5,600 inc VAT Euro
