Description

2021 Beneteau Antares 8 powered by a Suzuki DF200 APX 4 stroke outboard engine. This is a one owner boat with a very high specification. She has been kept on a dry stack berth from new, so has never been antifouled, she has just 66 hours use and has her Suzuki service history, this boat had an upgraded electronics package with a Garmin EchoMap 925V, Garmin 215i VHF radio with AIS and the Fusion stereo system, she also has a marine head with holding tank. Manufacturer Provided Description The Antares 8 is a multi-programme motor cruiser for day outings, fishing trips, and cruising with the family. Living on board is sheer pleasure as she has a large saloon in the wheelhouse with a panoramic view. Extremely well-designed, she has clever modular fittings to make life on board much simpler. Designed by Sarrazin Design, in collaboration with Beneteau Powerboats, the Antares 8 has a semi-displacement hull with a classic timeless profile. The deck plan offers a large cockpit saloon for 4 people. This can be converted into a sun-lounger as well as a semi-open forward pulpit. Focussing on the pleasure of living on board, the Antares has a slatted natural colour solid wood aft swim platform (on option). Hull Composition: Sandwich (Polyester resin - glass fibre - balsa core) White gel coat Winching ring on bow Injection moulded hull Deck Composition: Sandwich (Polyester resin - Glass fiber) Balsa core Surfaces with diamond-tip type non-slip covering White gel coat Part deck counter moulding at forward peak laminated in polyester Wheelhouse roof in white gel coat MOORING LINES - MOORING Stainless steel bow fitting Self-bailing mooring locker with hatch cover Aluminium cleats SAFETY ON DECK Stainless steel half open pulpit surrounding the cockpit up
