The bow lounge area can comfortably seat up to 7 people and transforms into an XL 200 x 200 cm sunbed protected by the high backrests. The helm area provides great seating for 3 people while also forming an oversize chaise in connection with the swim platform. The backrest can transform to create a king size sunbed and also support the captain in a raised steering position for a better view. Moving around on the Play is a breeze with its walkways and open space. The protective freeboard opens up to the big swim platform that makes it easy to jump in for a swim. The lightweight construction is fundamental for our boats to achieve superior performance and low consumption of fuel or electricity depending on engine selection. The RAND Play consumes significantly less than traditional boats and will be the environmentally friendly choice within watersport even if choosing a modern
