

SALE PRE OWNED

bayliner Vr5 bowrider

50 544 USD + VAT

Description

Bayliner VR5 bowrider fitted with Mercury 115hp outboard. One owner from new, used on the River Thames only so very low engine hours.Reduced to sell - 09/11/23 from 42,950 to 39,995The VR5 builds on Bayliners proven V-bottom runabout heritage, while adding form AND function. Forward, the boat employs Bayliners category-leading BeamForward design, which carries the full 8 feet of beam further forward in the boat than has been traditionally done. The self-bailing cockpit features Bayliners new AftAdvantage design that increases the aft seating area by extending it to the aft most point of the running surface, then adding the swim platform at the end of the running surface. This keeps the platform apart from the usable interior space, rather than encroaching on it regardless of whether you choose outboard or sterndrive power. The result is a boat that maximizes space and value like never before.Asking price reduced from PS39,995 mid August 2024.
