Description

Versatility, functionality, performance and safety combined with a great quality/price ratio. The 540 EVO model from Selva is all this and much more. An extremely versatile boat designed for singles, couples or families looking for a reliable and compact means of transport for cruises along the coast or to explore beaches and coves. Perfect for charter or as a tender. The 540 EVO model by Selva in combination with the SELVA XSR 40CV engine (40/70 hp without license) retains its value very well over time. Still under WARRANTY (put into the water in March 2023).
