Description

New boat to be configured, available in Bellissima and Fuoriserie versions.

IY 11.98 Fuoriserie is the boat built for demanding sailors, simple, rational, functional, and versatile in cruising and regatta use. Its design blends tradition, creativity, craftsmanship and new technologies. With a reduced wetted surface and a large sail area, the 11.98 is able to easily express all its power even in light winds, while remaining docile at the helm in any condition. The impact with the outdoor areas tells of the great livability and symmetry of the interiors, which in addition to the balance of weights, helps the rationalization of the naturally more usable and elegant spaces. In its simplicity, it is a boat that can be easily maneuvered even in two. In three comfortable cabins and two bathrooms you can appreciate all the pleasure of experiencing the sea.

Elegance and a strong sense of aesthetics to go beyond the standards: exceptions to make the difference even in a 12-meter sailing yacht. The interiors of IY 11.98 Bellissima are designed to be cozy and comfortable, light to visually enlarge the space. The brightness is warm, diffused, continuous and never concentrated, with a floor wash effect, not intrusive in night navigation. The Bellissima version is comfortable in its high wardrobes in all rooms and elegant in the upholstery concentrated on fibers and materials in the 'leather' and 'carbon look' series, and in the finishes with high craftsmanship value.

Navigation equipment:

AIS, Rudder angle indicator, Display (B&G), Depth Sounder (B&G), Log (B&G), Autopilot (B&G), Wind Station (B&G).
