Description

Saxdor 320 GTO from 2021. Price excluding taxes, French Flag

The Saxdor 320 GTO is a combination of Italian design, American functionality, German quality, and French pricing. The GTO is equipped with a T-top and a deck with a walkaround passage. It stands out with its refined design, powerful and fast performance thanks to its two MERCURY 300 HP outboard engines, as well as an efficient and well-designed hull.

The 320 GTO is both modern and sporty, while offering a high level of comfort. Its performance hull is seaworthy, safe, and easy to handle. The most remarkable feature is the versatility of the cockpit. Below deck, it's clear that the 320 GTO is designed to be comfortable as a weekend cruiser, and not just as a sleek and fast day boat.
