Description

☒ Beneteau Oceanis 37: Your Reinvented Nautical Dream Adventure! ☒

Looking for an unforgettable sailing experience? Discover our Oceanis 37, a pre-owned sailboat that combines elegance, performance, and innovation, ready to conquer the marine horizons. It's not just a boat; it's a carefully maintained and improved nautical work of art by a passionate owner and nautical technician.

Major Refit: A Recently Completed Transformation!

This maritime gem has been in the hands of a meticulous owner, a true nautical technician, who carried out a complete refit of the entire boat just 3 years ago. The devoted love and expertise of this owner have brought significant improvements to this wonder of navigation.

Details of the Refit and Enhancements:

The windlass is brand new, ensuring flawless anchor maneuvering.

The entire sail set is new, guaranteeing optimal performance for every trip.

The refrigerator is new to keep your provisions cool even during the longest voyages.

The engine underwent a total refit, ensuring exceptional reliability for every adventure. Refit 2021, hours since 2021: 75H, gearbox / stuffing box / propeller shaft / hydrolube seal NEW.

All seacocks are also new.

This boat is equipped with all necessary equipment to ensure a safe and enjoyable sailing experience.
