Description

This magnificent vintage yacht from 1962 underwent a complete renovation between 2017 and 2021, from the bilge to the flybridge, offering tremendous potential. All the equipment has been replaced with new ones during this extensive renovation project, making it more of a reconstruction and modernization.

On board this exceptional and timeless yacht, you will experience an incredible sensation. Here are its key features:

- Spacious owner's cabin with an ensuite bathroom and separate toilet
- Fin stabilizer system
- Flybridge crane for the tender
- The yacht has never been used since its renovation and has been continuously improved by professionals
- And much more...

This compact oceanic yacht, powered by two completely rebuilt Gardner diesel engines, has sailed across various latitudes, including a world tour starting in 1988. It has also served as a support vessel during the filming of Luc Besson's movie "Atlantis."

The interior has been completely rebuilt in varnished mahogany, featuring a timeless style with added modern touches for enhanced comfort. The galley has been fully modernized with stainless steel appliances. The wheelhouse offers
