sealine F 37

140 000 € All Tax Included

## Description

It is with great pleasure that we present this beautiful Sealine 37 flybridge. Exceptionally well maintained by its owners, this boat is second hand. The current owner, who is very experienced, has modernized and improved it, making it a boat ready to sail immediately.

Versatile, this boat has two cabins and a convertible saloon that can accommodate two additional berths. Equipped with a powerful 28,000 BTU reversible air conditioning, this vessel will offer you optimal comfort during your sailing.

Leaving the yard in April, the owner sandblasted the hull this winter and applied four coats of two-component epoxy, primer and Velox, as well as Prop-Speed on the propellers, guaranteeing better glide. In addition, he equipped it with underwater spotlights, changed all the valves and thru-hulls, replaced the water tank and all the plumbing, the refrigerator, all the upholstery, the linings and the interior carpet. It is also supplied with a hard-bottom dinghy and a new Suzuki 6hp engine. At the flybridge, the helm station is equipped with a new navigation screen with a mediterranean map connected to the new Fusion Led sound system.

On the engine room side, all the batteries have been changed and increased for the 4 engine service by 115 amps, the two turbos were replaced in 2021 and all the exchangers were cleaned last April, the owner being a professional mechanic, owner of a luxury and racing car garage, the maintenance of the 2 engines is particularly careful, just like the boat itself.

Invoice history available since purchase.
