

SALE NEW

grady white boats 281

Description

The ultimate inshore/offshore boat, built on Grady-White's legendary SeaV²® hull, the 281 Coastal Explorer is a real game-changer! Brimming with ingenuity, starting with a new standard electrically folding platform on the port side with folding ladder and the newly designed aft bench with three different configurations, this top-of-the-line Grady-White boat offers three times the thrills. From fishing in shallow waters and deeper offshore canyons, to driving in luxury and style to and from the sandbar, this incredibly versatile boat will be a joy for the whole family!

Only one engine is available for this boat, namely two Yamaha V6 3.8cc 300hp. It is possible to have the boat with the standard or hydraulic wheelhouse or install

Yamaha's Full Manuverability system which, thanks to the Joystick, allows the owner to perform any type of manoeuvre with great ease. The 281 can also be ordered without engines

only with the hydraulic steering system installed.

Star Fortune is a company with thirty years of experience in the sector that is interested in the sale of new and used boats.

Since the end of the 80s, Star Fortune's activity has been the import, distribution and sale of yachts of the world's best-known leading brands.

During the years spent in the nautical world, Star Fortune has developed a network of collaborations with the most important companies in the sector on five continents.
