Description

Ranieri Next 255 LX, just over 7 and a half meters, is the 2025 novelty from Ranieri International which is identified in the acronym LX (ultra-luxury range product).

An ideal boat for all those who are looking for a compact boat with comfortable outdoor areas and a generous below deck with separate toilet compartment.

At the stern, the cockpit consists of a sundeck that can be converted into a dinette with table and a multifunctional cabinet that hides the outdoor galley consisting of: fridge, sink and induction hob. In the bow, the sundeck is full-beam and rests on the steering console, extending with an additional seat.

A daycruiser with weekender ambitions!
