Description

Cayman 23.0 Sport is an excellent synthesis of comfort and spaciousness in 7.10 meters, suitable for day trips to the sea where it can accommodate up to 16 people!

The deck, designed to ensure greater comfort on board for all guests, is divided into three different areas: a large bow sundeck, a comfortable living area in the stern area with a comfortable sofa that can be converted into a sundeck or, if necessary, a dinette with a retractable table behind the driver's seat.

On the other hand, the steering console is positioned amidships, which guarantees excellent control of the vehicle and the on-board instrumentation.
