## Description

A boat linked to the history of Italian excellence SOLE OWNER Nr. 989

In 1952, the Florida was introduced, designed as an easy-to-use boat for water skiing. 5.59 meters long, it features a steering wheel inspired by the American cars of those years. As with the Ariston and the Tritone, a Super, more performing version of the Florida is also made. The basic model remained in production until 1964, the second until 1968, for a total of 1,029 units.

Sofa with stand-up driver's seat and passengers, separated from the sundeck by a deck joining the side panels.

Navigation equipment:

Rudder angle indicator, Display, Co-pilot seat.

Staging and technical:

Engine Alarm, Anchor (con cima), Directional Spotlight, cradle (in legno Riva), swimming ladder (in mogano).

Security equipment:

PFDs, Lifebuoy With Safety Rope and Light Buoy.

Upholstery:

Hull Cover, Cushions, Cockpit Cushions.

Accessories notes:

Original Stewart Warren engine instruments
