sunseeker Predator 50

Description

An extended, impulsive adventure or an afternoon thrill ride, the choice is yours. Combining flexibility and cutting-edge design, the Predator 50 sets a new benchmark for the performance cruiser format. A yacht for all occasions, it boasts all the refinement and attention to detail you'd expect of any Sunseeker. Inside and out, there's ample room for entertaining. The open plan design is enhanced by the addition of a fully opening hardtop roof and fully opening cockpit glazing, enhancing the saloon and bringing the outside in. Look closer and you'll also find space for family and friends to enjoy the signature 'Beach Club' comprising BBQ, fold-down bench and overhead shower whilst the hydraulic bathing platform makes launching your tender from the integrated garage effortless. The interior is just as impressive. With plenty of space for up to six guests, each cabin is the perfect blend of comfort and elegance. The feeling of open space and light continues here, with beautiful materials and large open windows.
