

Description

The Azimut 68 fly comes with a 4 staterooms and 4 toilets layout + crew.

This unis is the soaked after EVO version, with the newer common rail MAN V12-1.360 engines and the large scenary windows both way aside the master cabin amidship. Very good conditions, in water just 3 months the year, regularly service and mainteined. Almost never slept on. Very few engines hours (less than 1.300)

Main issue: typical lower deck fabrics are loosen down; easy to solve with a fairly small investment.

Contact to have all details, KEEN SELLER - VAT PAID
