Description

The PIRELLI 42 of 2023 represents excellence among luxury inflatable boats, combining modern, sporty design with exceptional performance. This vessel, carefully designed to offer maximum comfort on board, is ideal for both short coastal excursions and medium-range cruises. With a considerable length, the PIRELLI 42 stands out for its spacious interior layout and a functional design that does not sacrifice style, making it perfect for those who want a versatile, fast and comfortable boat.

The PIRELLI 42 is powered by two powerful 430 hp MERCURY engines with only 100 engine hours, ensuring both reliability and high performance. The engine configuration allows it to reach a top speed of 45 knots and a cruising speed of 32 knots, offering a dynamic and responsive sailing experience, both in calm and rougher waters. The combination of power and agility makes it perfect for those looking for high-level performance without compromising on stability and safety.

On board, the spaces have been optimized for maximum comfort. The main deck is characterized by two large sundecks, one forward and one aft convertible into seating for the dinette, convivial areas equipped with ergonomic seats, external sink, double fridge, ideal for entertaining guests and enjoying the sun and the sea.

The PIRELLI 42 is equipped with technologically advanced SIMRAD instrumentation, which includes the most modern navigation and control systems including joystick for manoeuvring and bow thruster, facilitating the
