

SALE NEW

rio yachts Sport coupe 58

Description

The SPORT COUPE 58 is a completely new boat that enhances and integrates the technical, aesthetic, comfort and innovation elements that have confirmed the success of the previous models in the range.

Built in avant-garde materials with the Italian craftsmanship characteristic of RY production and rich in technical equipment, this extremely bright hard top adopts a sporty style.

It is a true open yacht that can be completely closed: here is a yacht where internal and external spaces interact with each other with elegance and sportiness. Practical to use, it offers the spaces and lines of a true open, with generous spaces.

Studied by Marino Alfani in collaboration with the internal project department of the yard, the design plays on the details of the stitching and the quality finishes that give life to comfortable environments in consideration of the user-friendliness and Made in Italy. The internal and external spaces of SPORT COUPÉ 58 are characterized by their close links: environments dedicated to the pleasure of being together.

At the stern, the boat has a large folding platform with a garage (for the dinghy or jet-ski) and a retractable barbecue, a large cockpit with a sunbathing couch, adjustable tables and an electric awning to enjoy the sun and the sea in company.

The glass door between the cockpit and the helm is a distinguishing feature of
