## Description

A real Gentleman Superyacht, with truly great sailing capacity!

This custom built aluminium semi displacement Raised pilot house is a voluminous 197GT superyacht with a long range which has been launched in 1993 from Astilleros, a spanish shipyard which is a renowned specialist of Aluminum construction.

The Mefasa 35 meters has a sister ship but has been built with a deep V Hull, to offer the best seaworth sailing performance under the highest LLoyds standards for the royal spanish family, she is a Yacht with a great pedigree history built to last, which even today keeps a very elegant and contemporary profile.

She got an extensive refit in 2005 and is maintained since then with lots of attention

and recents jobs in 2023/2024 by her third owner in a very good aesthetical and technical condition. A regular maintenance job and a permanent crew onboard are taking care of this important aspect. Strong MTU engines running smoothly, 5 cabins layout to accommodate in full comfort 10 guests served by 6 crews in an elegant massive dark wood and rich carpentry interior to complete the picture, to offer a true classical luxury Yachting experience.
