

SALE PRE OWNED

riva 25 sport fisherman

79 000 € ALL TAX INCLUDED

Description

The owner of this magnificent Riva 25 Sport Fisherman is motivated to sell and has just reduced the price by no less than €25,000!! When it was acquired, this boat was valued at €110,000 before undergoing a major refit. The owner specifically had a molded bathing platform created to offer more comfort, while preserving the timeless lines of this iconic unit!! It should be noted that it is part of the last generation of 25s built with the flybridge, as an integral part of the construction. In the history of the Riva 25 Sport Fisherman of 1977, also known as the Riva Bertram 25 Sport Fisherman, it embodies the perfect balance between functionality and aesthetics. It is a boat that not only serves as a fishing vessel but also invites you to enjoy the pleasure of being at sea. With its high-quality construction, impressive performance, and elegant design, this model remains a testament to Riva's craftsmanship, a strong marker in the history of luxury boating.

A to be seen boat!
