Description

Pardo 38 (2022) | 2x Volvo Penta D6-380 | Airco | Generator | €498,000 incl. VAT
Imagine a modern, sporty and luxurious motorboat distinguished by power, style and comfort. This 2022 Pardo 38 offers it all! With only one owner and meticulously maintained, this luxury cruiser is ready for new adventures on the water.

The 2x Volvo Penta D6-380 engines offer exceptional performance, a combination of power and efficiency that lets you reach the horizon effortlessly. Whether you want to reach the horizon quickly or enjoy the sea at leisure, these engines offer reliable power and smooth sailing.

On board you will find several premium options that will take your stay on the water to the next level:

Air conditioning for optimal comfort even on the hottest days.

Generator for full autonomy, so you can always enjoy power wherever you are.

A luxurious interior with modern finishes, spacious seating and a well-equipped outdoor kitchen.

Panoramic windows that provide stunning views and plenty of natural light.

Full navigation and on-board systems for a safe and comfortable journey.

This Pardo 38 offers not only top quality, but also excellent value for money. With a competitive price of €498,000 incl. VAT, this is a unique opportunity to own an almost new, high-performance powerboat at a very competitive price.
