

Description

Great success at the Düsseldorf '24 boat show. The FIM 440 REGIN, the latest jewel in the FIM (Italian Motorboat Factory) house, was born from the pen of the studio of Alessandro Lottici, esteemed designer of the most important brands in the nautical sector.

Captivating lines combined with a large windshield and excellent air circulation in the cockpit thanks to the Hard Top with slat opening. It offers a large full-beam aft owner's cabin, an elegant dinette in the bow, electrically convertible into a real second cabin and two bathrooms. The interiors are modern with luxurious and refined materials. On the exterior, the elegance of the design blends perfectly with the sporty spirit of this new 100% Made in Italy model.
