invictus Gt280

105 000 € All Tax Included

Description

GT280, the eldest daughter, has a semi-inverted bow, sharp and robust at the same time. The sides feature homogeneous transitions from full to empty, while the windows and vents are designed as simple slits to emphasize the monolithic feel created by Christian Grande. The choice of this bow shape increases the waterline length, ensuring greater longitudinal stability and providing more space and comfort on the lower deck.

Boat in perfect condition, always stored and serviced. Elongated stern platform.
