Description

BALI 4.1 takes up all the innovations that have been so successful with BALI 4.0. Large cockpit/saloon area, which opens fully with a huge revolving glass door. The integral bow area very suitable for sailing that provides rigidity and splash protection with a very large sunbathing area and a forward cockpit that can comfortably accommodate the whole crew. The raised helm station and the fly bridge are very convivial. Retractable or sliding windows for optimal ventilation both at sea and at anchor. The BALI 4.1 offers an integral aft platform connecting the two hulls. Large side lockers that can accommodate a grill or diving equipment.
