pardo yachts 43 - new

Description

When style meets performance! Please contact us for unique sales opportunities! New Pardo 43

Advanced technology, design, elegance, quality and innovation based on years of experience are the hallmarks of PARDO YACHTS. This exclusive boat builder designs for people with an eye for quality and a penchant for comfort, design, performance and speed.

The PARDO 43 is a perfect boat for enthusiasts who like to spend time in the company of others. One of the key features of the deck is the walk around which provides more usable space and safety if you have children or guests on board. The deck stays drier and the sun decks and anchorage area are more accessible.

The PARDO 43 features two generous sundecks, an outdoor kitchen under the T-Top and an outdoor seating area. The upper deck is multifunctional and customizable. An optional platform can be additionally installed for swimming enthusiasts with an outdoor shower. It can also be converted into an entertainment area equipped with mattresses, puffs and chaise longues. Another option is a so-called elevator platform to accommodate jet skis and water toys. The interior consists of a large room with a king-size bed and a separate cabin where there are two more single beds.

T-Top

The T-top is made of carbon: sturdy, but also light material that contributes to
