

SALE PRE OWNED

absolute 47 fly

Description

Absolute 47 fly in perfect condition with 3 cabins layout; full option version including Seakeeper, docking assist software Volvo and hydraulic platform.

All historic available / very well maintained by Volvo.

The 47 FLY made its first appearance at the famous CANNES YACHTING FESTIVAL in 2019. This friendly 3-cabin was very well received on the Yachting market and the assets of this beautiful unit were quickly praised.

The FLY range for the ABSOLUTE shipyard starts, in terms of size, with this superb boat which is full of resources. Design and sporty spirit, its look stands out at this time compared to the rest of the FLY range. Indeed, at the time of its release, the shipyard had not yet undertaken to reinvent its FLY range by offering it new exterior lines in particular.

On the main deck, the aft cockpit area offers a pleasant dining area; a well-ventilated aft galley, to serve both the interior and exterior, leads to the very comfortable lounge area near the cockpit, for more conviviality.

The front deck offers, as a choice, its sunbathing version for relaxation, transformable into an English deck, for meals or outdoor coffee with breathtaking views!

On the lower deck, 3 pleasant cabins (two with double beds and one with 2 single beds) and their 2 shower rooms promise very comfortable cruises

On the Flybridge, numerous sunbathing areas call for relaxation with a vast dining area to bring guests together
