290 000 € + VAT

Description

Badilli Stilla Parasailing Boat 2024, never used, Spanish flag (6th register). Price excluding tax

The Badilli Stilla Parasailing Boat is a robust and versatile vessel designed for thrilling water activities like parasailing. With an overall length of 11.30 meters and a hull length of 10.10 meters, it offers ample space for passengers and equipment. The boat, with a beam of 3.45 meters and a draft of 0.70 meters, ensures excellent stability and performance at sea. Weighing 2.80 tons and constructed from glass-reinforced plastic (GRP), it guarantees durability and easy handling.

Equipped with a VOLVO PENTA D6 440 engine, the Badilli Stilla Parasailing Boat can reach a maximum speed of 50 knots and a cruising speed of 30 knots, making it ideal for fast excursions. With a fuel capacity of 500 liters, it enables extended journeys and can accommodate up to 24 passengers and 2 crew members. CE certified to comply with European safety standards, it features a "V" hull for optimized performance and maneuverability.

LED lights integrated into the deck floor enhance visibility for nighttime operations, while a reliable electrical system powers onboard equipment. It is equipped with navigation lights, automatic bilge pumps, and a stainless steel
