

Description

Bayliner VR5 bowrider fitted with Mercury 115hp outboard. One owner from new, used on the River Thames only so very low engine hours. Reduced to sell -09/11/23 from 42,950 to 39,995 The VR5 builds on Bayliners proven V-bottom runabout heritage, while adding form AND function. Forward, the boat employs Bayliners category-leading BeamForward design, which carries the full 8 feet of beam further forward in the boat than has been traditionally done. The selfbailing cockpit features Bayliners new AftAdvantage design that increases the aft seating area by extending it to the aft most point of the running surface, then adding the swim platform at the end of the running surface. This keeps the platform apart from the usable interior space, rather than encroaching on itregardless of whether you choose outboard or sterndrive power. The result is a boat that maximizes space and value like never before. Asking price reduced from PS39,995 mid August 2024. Standard Features COCKPIT Beverage Holders (6) Bow Seating Fuel Fill w/Integrated Vent Grab Handles (6) Helm Bucket Seat -Swivels 180 In-Floor Ski/Wakeboard Storage Lockable Glove Box - Port Waterproof 120-watt AM/FM Stereo/Controller w/Inputs for iPod & Mp3 ELECTRICAL SYSTEMS Battery switch ENGINE COMPARTMENT 12V Blower Bilge Pump HELM 12V Accessory Outlet 12V Horn Instrumentation Speedometer, Volt, Fuel Tachometer Trim Gauge Padded Steering Wheel Rack & Pinion Power Steering Side-Mounted Engine Controls w/Trim & Tilt Switch in Handle Tilt Steering HULL AND DECK 12V Navigation Lights Bow and Transom Eyes (3) Non-skid fiberglass floor Integral Transom Platform w/Ladder Mooring Cleats (6) Safety Handholds Stainless Steel Tow Ring Vinyl Gunwale Molding Wraparound Windshield w/Safety Glass & Opening
