Description

The largest model in the bowrider family, the VR6 is also all about space and unparalleled roominess. It combines Bayliner category-leading BeamForward design and their signature AftAdvantage concept which increases dry seating in the self-draining cockpit by adding the swim platform at the end of the running surface. This boat maximizes space and value like never before. You will also find pleasant surprises like a lockable enclosed changing room with head and aft-facing companion observer seat that is ideal for water sports and with the addition of a filler cushion creates a comfortable U-lounge that turns the whole aft section into an inviting gathering area.
