## Description

The MV Marine Mito 31 (by Pischel) is made by Italian brand MV Marine. This 2021 Rigid Inflatable Boat (RIB) is the fastest ever built, with two Mercury 450 V8 Racing engines. It is a sporty and stylish boat suitable for recreational use on both inland and coastal waters. The RIB has a modern and streamlined design with clean lines, a T-top and a stepped V-hull, allowing the boat to cut through the water more efficiently and achieve higher speeds with less drag and fuel consumption. The draft is 0.40 meters, making the boat suitable for shallow water as well.

In the spacious, open cockpit with seating and a table, you can relax and enjoy boating. There is a 2-burner gas stove and a sink. On the bow there is a sun deck, ideal for a bit of sunbathing when at anchor. Below deck there is a cabin with sleeping accommodation for two and a small toilet. The boat is equipped with several features, including a steering console with navigation equipment, an audio system, a swim platform with swim ladder and several storage compartments for belongings and equipment.

Navigation equipment:

AIS (Furuno), Compass (Riviers), GPS (Furuno), Log (Airmar P66 Dual-beam integrated in Furuno), Chartplotter (Furuno TZT12F), VHF Radio (Furuno FM-4800).

Staging and technical:

Anchor (Trefoil 10 - Stainless steel), Water pressure pump, 35 Battery charger (Mastervolt Chargemaster 12/25-3), Deck Shower, Hydraulic Flaps (Lenco), Shorepower connector, swimming ladder, cockpit table, Teak Deckhouse.
