Description

Discover the fantastic Cap Camarat 6.5 Center Console Series3, a boat with a brand new hull designed by the talented Michael Peters. This hull guarantees excellent performance and has all the qualities you would expect from the Cap Camarat line, perfectly suited for adventures at sea.

This model combines the strengths of its predecessors with the latest developments and innovations. The completely redesigned hull exudes dynamism and power. With an impressive power output of 200 HP, the Cap Camarat 6.5 Center Console Series3 offers a perfect balance between ease of use, stylish design and comfort on board.

The perfect balance

A sporty family boat by nature, the Cap Camarat 6.5 Center Console Series3 has a particularly comfortable ergonomic cockpit design. The living space has been expanded, with an L-shaped sofa, adding to the relaxed and inviting atmosphere on board.

The dashboard has a new design and features the latest evolutions of the line. The front bench seat is the perfect place to relax, and it opens directly to an interior storage area. So this very practical model has double console access! Very large, flat swim platforms further contribute to onboard convenience.

Navigation equipment:

Depth Sounder (GT23M-TM), GPS (Garmin Echomap 72CV UHD), Log (Garmin Echomap 72CV UHD), Chartplotter (Garmin Echomap 72CV UHD).
