linssen Grand sturdy 35.0 ac interio

299 000 € + VAT

Description

The Linssen Grand Sturdy 35.0 is an excellent choice for the "first-timer" who will appreciate the functional and cozy spaces on board with his family. This compact yacht is particularly complete, optimally laid out and the price-performance ratio is very attractive.

The sailing characteristics can definitely be called exceptional. The Linssen bilge hull shape gives the yacht very good stability and the combination of hull, keel and rudder shape and the rudder balance make the yacht easy to steer astern, even against the direction of the propeller.

This AC has a luxurious saloon and the two spacious cabins – both equipped with a double bed – have enough room for four people.

Creating additional berths

It is always very easy to convert the saloon settee into a comfortable double bed using the Linssen Easy Sleep Convert System®. By simply removing the saloon table and cushions, the sofa can be extended, automatically revealing a slatted base. On this, the cushions are placed back, creating a generous and comfortable bed.

Navigation equipment:

AIS (Raymarine AIS700), Depth Sounder (Raymarine i70S), GPS (Raymarine), Log (Raymarine i70S), Chartplotter (Raymarine Axiom+ 7 MFD), VHF Radio (Raymarine Ray90).
