Description

XBOAT ref :5978.this very pretty wooden sloop was built by the Dutch shipyard Meeusen in Holland, on plans drawn himself, according to legend, by the American actor Humphrey Bogart who was inspired by the sailboat he owned at the time and whose he wanted an identical replica but in a reduced size to 10 m maximum. Only two examples were built. This one is maintained seriously and regularly by its current owner, the boat is equipped for coastal navigation and it was re-powered with a new 30 HP Yanmar engine in 2023.
