Description

The Azimut Fly 68 represents a refined and personal lifestyle. It was born with the idea of transforming the living spaces on board into an expression of the identity of those who live there.

Through clever design choices, the three different compositions on the main deck allow you to enjoy your stay in multiple ways, from the presence of openly informal solutions to the more secluded style of situations that want more privacy.

Meet the pleasure of possibility with Fly 68.

LOCATIONS

Transformability and multifunctionality, the perfect combination for the best conviviality at the bow. This is the winning formula of the Fly 68. This particular layout allows you to get more space to enjoy moments in the sun, a very charming and at the same time very practical appearance: just convert the sofas downwards to create a magnificent set of sun loungers.

The well-kept cockpit suggests interiors with a sophisticated and chic style, sinuous and clean, where the aesthetic feeling fluctuates between the residential tones of the dining sofa to the more natural tones of the teak bar cabinet with built-in tray.

The flybridge is a truly unique open-air space. It has three separate but continuous areas, to be lived in absolute privacy. The flybridge of the Fly 68 offers different experiences of life on board at a whole new level: sunbathing near the
