plastivela Gura

8 000 € All Tax Included

Description

Frattin Yachting offers a new used opportunity, Plastivela!

This sailing boat guarantees speed and quickness in learning how to juggle at the mercy of the wind, a practical daycruiser for leisure days.

It is a very practical boat, given its size, with a spacious cockpit and a large storage locker at the stern.

The four berths and the independent bathroom allow you to accommodate friends or family on board.
