

SALE PRE OWNED

abacus marine Abacus 70

Description

LIKE-NEW BOAT – PRIVATE USE ONLY

ALWAYS STORED INDOORS DURING THE WINTER

2022

Total body polishing

2019

New axles, propellers, rudders – cleaning of diesel tanks – complete renovation of the deck with 8mm teak – new gangway with hydraulics and control unit – internal and external upholstery

The aft area, for example, is imposing, able to convey a sense of security that is always a pleasure at sea: but there is no shortage of cutting-edge construction solutions, such as the retractable hauling and launching davit for the jet ski, with electro-hydraulic opening in the upper area of the aft mirror, or the access ladder to the starboard aft platform, which rises to access the large and bright crew area and the engine room, where spaces, solutions, hallways and systems combine to make this room one of the most successful areas of the Abacus 70.

The cockpit offers a comfortable linear sofa with table, fully retractable mooring equipment and a solid and comfortable staircase leading up to the flying bridge, on which there is a large dinette, a multifunction cabinet with sink, grill and fridge, a large sundeck forward of the steering bridge, while there is also a space aft for the tender and davit. The interiors offer a habitability attentive to individual privacy, while the attention to detail and finishes makes the common
