Description

The Sacs Strider 15 is a stunning embodiment of performance and design, making it one of the most sought-after models in the luxury RIB category. With its sleek, dynamic lines and bold, modern styling, the Strider 15 commands attention wherever it goes.

Equipped with powerful twin Volvo Penta 440 hp engines, it offers exhilarating top speed of 38 knots and exceptional stability, allowing you to navigate both calm waters and rough seas with ease. Whether you're looking to cruise in comfort or embark on a thrilling adventure, the Strider 15 delivers on all fronts, reaching impressive top speeds while maintaining an unmatched level of control.

The deck layout is a true masterpiece, designed for both relaxation and entertainment. The spacious cockpit features extensive seating areas, perfect for socializing or enjoying the sun. A large aft sunbathing area and a forward-facing lounge offer the ultimate in comfort, while the ample storage space ensures you can bring everything you need for a day on the water. For those who enjoy water sports, the Strider 15 provides easy access to the sea thanks to the huge swimming platform, whether it's for diving, swimming, or exploring.

Inside, the stylish and practical lower deck offers a comfortable retreat, with a spacious sleeping area that make overnight stays a pleasure and a day head. The modern finishes, combined with advanced technology and exceptional craftsmanship, create an atmosphere of refined elegance throughout the boat.

The Sacs Strider 15 is a statement, one that blends cutting-edge engineering with sophisticated design and a true passion for the sea.
