## Description

This 2018 Nautitech 46 Open, designed by legendary Mark Lombard, is the thought after 3-cabin owner's version. Considerably lighter than her competition, this vessel is quick and comfortable, with her spacious cockpit and living areas

This particular vessel is very well equipped for long-term cruising and has been very well maintained. The 3-cabin layout provides a comfortable and spacious "owner's hull" with a double bed, large amounts of storage and a shower room with separate heads and shower.

This vessel has had only one owner and comes with Lithium batteries, 1590W solar panels, a 100 l/hr watermaker, a 7kW Onan generator, air conditioning throughout the boat, a camera on top of the mast, radar, etc.
