The Solaris Power 40 Open is a boat with great personality with elegant and timeless lines. Redefining the standards in its category, this model surprises with a distribution and volumes comparable to those of a 43-foot boat.

The Solaris Power 40 Open has unique features, such as a bathroom with separate shower, being the only one in its class with this comfort, and two double cabins, including an independent one aft.

Its excellent sailing behavior is achieved, among other things, thanks to the shape of the hull, which has become a crucial element. Immerse yourself in the thrill of sailing with confidence and elegance.

Teak Side Decks (sintetico), Deck Shower, Manual Bilge Pump, Teak Cockpit (sintetico), swimming ladder, cockpit table.
