

SALE PRE OWNED

hanse Hanse 415

203 000 € All Tax Included

## Description

This Hanse 415 is a high quality German made performance cruiser with a large cockpit and 3 cabins. She has a spacious, modern interior with plenty of light and air. The cockpit is a twin wheel design with a fold down transom to be used for boarding or as a swim platform. She is a proven passage maker and has crossed the Atlantic. Easily sailed by one person, she also is an ideal vessel for a couple or a small family. This particular vessel has been meticulously maintained and has loads of equipment.

In particular, you'll find all the equipment necessary for bluewater cruising: 2x 200Ah AGM batteries (with separate batteries for engine, electrical winch and bow thruster), a full BandG electronics equipment (plotter, VHF, radar, AIS), a 65 l/h Aquabase watermaker, solar panels and a 3D tender 2.60m dinghy with its 6hp Suzuki outboard, and much more.

She flies the French flag, its lease can be taken over by the new owner, and she's sold VAT paid. She's visible in Le Marin, Martinique, French West Indies. A full set of pictures and the full inventory are available upon simple request.

NB: The company offers the information on this vessel in good faith but is unable to guarantee the accuracy of this information or the condition of the vessel. It is the buyer's responsibility to instruct his agents or surveyors to verify and validate the information of his choice. This vessel is offered subject to prior sale.
