

SALE PRE OWNED

nautitech catamaran 46 open

465 000 € All Tax Included

Description

The Nautitech 46 Open series was launched in 2016, based on the Open concept inaugurated by the shipyard two years earlier on the 40. The forward cockpit bulkhead offers immense exterior space, well protected by the large rigid bimini and shade cloths.

The hull allows for excellent average speeds, and the reasonable displacement makes this an excellent light-weather boat. This boat knows how to sail upwind, and the double aft helm allows the skipper to keep in touch with his crew without sacrificing the pleasure of steering his boat.

This 4-cabin version with fitted forepeaks has always been professionally maintained, and is registered in Fort-de-France with local taxes and VAT paid.

The boat can be seen in Le Marin, Martinique.

The inventory and a full set of photos are available on request.

NB: The company offers the information on this vessel in good faith but is unable to guarantee the accuracy of this information or the condition of the vessel. It is the buyer's responsibility to instruct his agents or surveyors to verify and validate the information of his choice. This vessel is offered subject to prior sale.
