## Description

Built in Finland in 2006 and designed by the renowned naval architect German Frers, Aristarchos is the largest yacht ever constructed by Nautor Swan. This 40-meter masterpiece combines striking aesthetics with outstanding sailing performance, making her a standout presence on the water. With her sleek jet-black hull, teak decks, and panoramic views, Aristarchos exudes both elegance and strength.

Stepping aboard Aristarchos, her generous spaces are immediately evident, both above and below deck. The expansive decks provide ample room to unwind, entertain, or embrace the thrill of sailing. The shaded cockpit, equipped with comfortable seating and a dining table, is perfect for al fresco meals while enjoying the sea breeze.

The interior, designed by Rhoades Young, showcases a refined balance of luxury and functionality. High-quality materials, including leather and walnut, are complemented by subtle nautical details. The raised saloon, bathed in natural light, offers breathtaking panoramic views and a versatile living space. Featuring a formal dining area, relaxed seating, a games table, and a fully equipped bar, the saloon is an inviting retreat after a day on the water.

With its impressive design, meticulous maintenance, and timeless appeal, Aristarchos is a rare opportunity to own a yacht of unparalleled quality and heritage.
