Description

Retaining all of the best features of its predecessor, the BRIG Eagle 650, the Eagle 6.7 stands out from the class thanks to our newly designed deep 'V' hull, UV resistant ORCA(r) Hypalon tubes and a stunning swept-back ski pillar. The perfect family RIB for watersport adventures, the Eagle 6.7 is built for long days on the water. Fast and responsive, this 7m inflatable provides exceptional comfort and fantastic fuel efficiency, plus enough space for transporting up to 11 passengers, front and rear storage and an anti-skid front step plate for safe and easy boarding. New contemporary navigation and sleek, elegant controls mean the BRIG Eagle 6.7 looks every bit as good as it performs, plus there's the peace of mind that comes with a 10-year hull warranty, 5-year tube warranty and a 1-year warranty on fixtures, fittings and accessories.
