astondoa Astondoa 110 century

Description

Over 100 years of design to create the best navigation solution capable of combining performance, elegance and style, this is how Astondoa has created the Century line.

To celebrate its 100th anniversary, the shipyard has launched a new megayacht model, Astondoa 110 Century. Its aerodynamic lines and imposing robustness guarantee comfort, performance and safety in any sailing condition.

This yacht, designed to accommodate family and friends, allows guests to enjoy any type of environment, from open spaces such as the flybridge to bright and contemporary design interiors. Astondoa 110 Century manages to satisfy both lovers of conviviality, providing spacious living areas such as the bow skylounge, and those who prefer more private spaces to enjoy the thrill of the sea thanks to the ingenious distribution of the rooms.
