Description

The Sunseeker INSIGNIA S5115 is a luxury boat from the prestigious 115 Sport Yacht line, built in 2015. With a length of 35 meters and a width of 7.44 meters, it represents a masterpiece of engineering and design, ideal for those looking for a high-level sea experience. The fiberglass hull guarantees strength and performance, with a displacement of about 135,000 kg. The draft of 2.39 meters allows versatility even in shallow waters, making it suitable for different sailing conditions.

Equipped with two 2640 HP MTU engines, the INSIGNIA reaches a top speed of 25 knots and a cruising speed of 18 knots, while offering a smooth and comfortable ride thanks to the TRAC stabilization system. The capacity of the tanks is remarkable, with 14,100 liters of fuel and the same amount of fresh water, ensuring long navigations without the need for frequent refueling.

The outdoor spaces are designed for maximum pleasure and entertainment, with a flybridge equipped with a hexagonal Jacuzzi, custom bar and dining and relaxation areas, protected by a retractable hardtop. The aft cockpit offers a convivial area with a full bar, dining table and waterfall shower. The garage houses a Williams 505 Diesel Jet tender and water toys, including SeaDoo and SeaBOB jet skis.

With advanced navigation systems, tropical air conditioning and generous technological equipment, the Sunseeker INSIGNIA S5115 is a perfect boat for cruising in comfort and style.

The interior of the Sunseeker INSIGNIA S5115 is the perfect blend of luxury and
