

SALE PRE OWNED

nautor swan Swan 66-704 'bounty'

1 500 000 USD All Tax Included

Description

Built in 2009 and delivered in 2010, the Swan 66-704 "Bounty" strikes the perfect balance between high-class performance and exceptional comfort. Designed by the legendary Germán Frers and built by the renowned Nautor Swan shipyard, "Bounty" is ideal for long-distance cruising or competitive racing.

At 20.12 meters in length with a fixed keel, "Bounty" delivers unmatched stability and optimal performance. Its GRP hull and carbon mast by Offshore Spars, paired with 2023 North Sails 3Di sails, make it ready for ocean crossings or competitive regattas with maximum safety and efficiency.

The interior is both spacious and functional, accommodating up to 6 guests in 3 comfortable cabins: a forward owner's cabin with a double bed and en-suite bathroom, a portside guest cabin with a double bed and Pullman, and a starboard guest cabin with bunk beds, all with en-suite facilities. Aft, there is a crew cabin with 2 single berths and dedicated facilities. The central saloon is perfect for relaxation, featuring a large dining area, coffee table, and a well-equipped navigation station.

Powered by a Steyr MO166M28 engine delivering 164 HP and a Fisher Panda 15 kW generator, "Bounty" ensures reliability and autonomy, with a fuel capacity of 1,300 liters and freshwater tanks holding 1,250 liters.

With regular maintenance and a versatile configuration, "Bounty" is a rare opportunity for those seeking a high-performing, elegant yacht that is ready for its next adventure.
