Description

The **Bénéteau Flyer 5.5 Sundeck**, combined with a **Suzuki DF140A** engine from 2020, is an ideal choice for those looking for a versatile and high-performance boat, perfect for freshwater and coastal exploration. This model, used exclusively in Lake Garda and owned by a single owner, is well preserved and is sold with a **12-month legal warranty of conformity** to ensure maximum peace of mind for the buyer.

Features of the Bénéteau Flyer 5.5 Sundeck

The **Flyer 5.5 Sundeck** offers a compact, modern and functional design, which maximizes space and comfort in just 5.5 meters in length. The bow is equipped with a large and welcoming sundeck, perfect for relaxing in the sun. This model is appreciated for its ease of manoeuvring and stability, thanks to Bénéteau's Air Step® hull, which ensures smooth and dynamic navigation, reducing friction and improving fuel efficiency. The interiors, although compact, include a small shelter for the storage of personal items.

Performance of the Suzuki DF140A Engine

The 2020 Suzuki DF140A engine is a reliable fuel-injected four-stroke, which guarantees excellent performance with low fuel consumption. With **140 hp** of power, this engine allows the Flyer 5.5 to reach high speeds in a smooth and controlled way, ideal for day trips or short transfers. The electronic fuel injection system improves combustion and optimises fuel consumption, while the engine, having only been used in fresh water, enjoys additional protection from corrosion.
